SOLDIERS' BONUS BILL INTRODUCED

Provides \$10 For Each Month Any
Indiana Man or Woman Served
During The War

SHORT SESSION HELD TODAY

Senate Votes To Take Another Jun-
ketting Trip Against Advice of
Some Leaders

(By United Press)
Indianapolis, Ind., Jan. 14.—The
soldier bonus bill made its appear-
ance in the legislature today. Repre-
sentative Newman of Indianapolis
presented a measure providing a
bonus of \$10 a month for each
month any Indiana man or woman
served in the army, navy or marine
corps or nurses organization during
the war.

It carries a provision for a refer-
endum and says the money with
which the bonus may be paid, shall
be raised by a special tax levy.

This was the outstanding bill of a
number introduced in the house and
senate at a short session of the
legislature, following which both
houses adjourned until two o'clock
Monday.

The senate voted to continue its
junketing trips when it accepted an
invitation of Senator Kiper to visit
Evansville. The date for this trip
was not set. It will be the fourth
junket and more invitations are on
the way.

Senator Fitch of Muncie tried to
induce the senate not to accept so
many invitations but he was unsuccess-
ful. Lieut. Governor Branch also
counseled against too much play
now.

"If you play now," he said, "it
will be your own fault if your bills
don't get through."

There was a short lived fight in
the house when Representative Phil-
lips introduced a resolution to pre-
vent lobbyists and others who are
not members of the house, from go-
ing on the floor of the house while
that body is in session.

Although this is one of the out-
standing rules of the house, the re-
solution brought some discussion
and finally was adopted.

SCOTTISH RITE MEN FROM HERE PRESENT

Reunion of Craft of Seven Eastern
Indiana Counties is Held at Rich-
mond Today

SEVEN LOCAL MASONS ATTEND

Seven Scottish Rite Masons of
this city went to Richmond this af-
ternoon to attend a reunion of Scot-
tish Rite masons of Wayne, Dela-
ware, Fayette, Henry, Randolph,
Union and Rush counties. More
than three hundred Masons were
expected, including members of the
craft from Indianapolis. It was the
first gathering of its kind ever held
in Indiana.

The reunion was to be held in the
Masonic club rooms and will be fol-
lowed by a banquet this evening.
James W. Lilly of Indianapolis,
John L. Rupe and John H. Nichol-
son of Richmond were to speak.

The purpose of the meeting, it is
announced, is to develop a spirit of
fraternity among Scottish Rite mem-
bers of these counties and to give
them an opportunity to become ac-
quainted with each other.

Earl H. Payne, Dr. Frank M.
Sparks and Dr. Frank G. Hackleman
were members of the reception com-
mittee from this county, but Dr.
Hackleman was unable to attend.
Others going from here with George
C. Wyatt in a machine were, in ad-
dition to Mr. Payne, Mr. Wyatt and
Dr. Sparks: Elmer Caldwell, R. C.
Hargrove, G. P. Hunt and S. L. Tra-
bue.

ASKED TO FORM CABINET

Paris, Jan. 14.—Raoul Peret, pre-
sident of the chamber of deputies,
today was asked by President Mill-
erand to form a cabinet in succe-
ssion to the one headed by Georges
Leygues, which resigned Wednesday.

SITUATION NOT ALARMING

Greensburg Business Men Deny Re-
port About 80 Cases of Smallpox

Due to a printed report here that
there were eighty cases of smallpox
in Greensburg, published in con-
nection with the story of the cancella-
tion of the Greensburg-Rushville
high school basketball game sched-
uled for tonight, Hal T. Kitchen,
secretary of the Greensburg Rotary
club and business men's association,
called by telephone today and asked
that it be corrected.

He said there were only four cases
of the disease in Greensburg and
very few outside of the city, and
that there was no alarm felt there
over the situation. The Greensburg
school authorities, however, thought
it was best to cancel the game.

PLAINTIFF GIVEN JUDGMENT OF \$50

Frank Carpenter Wins Verdict
Against Paul Daubenspeck in
Circuit Court Today

OTHER CASE IS DELAYED

Judge Orders Lost Papers in Herk-
less Suit Against City Pro-
duced by Wednesday

Frank Carpenter, plaintiff in the
case against Paul Daubenspeck,
which started yesterday in circuit
court, was awarded \$50 judgment
this morning by the jury, shortly
before noon, after being out an hour
and a half.

Carpenter filed suit over two years
ago against the defendant for mon-
ey which he alleged due him for meat
that he stated was to be given him,
according to a farm contract made
verbally.

The defendant also filed a cross
complaint wherein he sought \$60
judgment, but there was no finding
on the cross complaint.

The plaintiff demanded \$300 judg-
ment on different allegations con-
tained in the suit, one being for mon-
ey which he stated he had Dauben-
speck keep out of his weekly wages
to apply on an automobile, and
which Daubenspeck is said to have
kept.

The case of the State, ex rel
Herkless against the City of Rush-
ville, was scheduled for trial im-
mediately following this case, but the
papers pertaining to the case could
not be found, and Judge Sparks or-
dered their substitution by next
Wednesday.

One or two attorneys have made a
practice of securing the papers on
different cases and taking them out
of the court house without an order
of court, and this practice must
stop, according to the court. This
morning the jury case was delayed
when the papers could not be found,
but they were produced when the
court threatened to impose a fine for
contempt.

The plaintiff was represented by
C. W. Duncan and the defendant by
Jack Ross and George W. Young.

Two new suits were filed today in
court, one being by Frank Meal, et
al., against Gar Meal, et al., on a
complaint for partition and sale of
real estate. The suit is over land
which was left by the late Saman-
tha J. Inlow, to different heirs,
and a commissioner is sought to
have charge of the sale of the land,
in order to pay debts.

The First National Bank of Mays
is plaintiff in a suit against Donel
Laughlin, et al., on a suit to collect
on a note which is alleged to be past
due. The amount of judgment asked
for is \$500.

WOMAN FATALY SHOT

Columbus, Ind., Jan. 14.—Miss
Irma Hancher, age twenty-five
daughter of Mr. and Mrs. John Han-
cher, of this city, is probably fatal-
ly wounded in the Bartholomew
County Hospital as the result of a
bullet wound in her left breast, just
below the heart, inflicted by Webber
Smith, age forty, early today. The
shooting followed a quarrel in the
Hancher home between Smith and
Miss Hancher.

BROWN TO ATTEND HOOVER LUNCHEON

President of Rush County Red
Cross Has Seat For "Invisible
Guest" Dinner Monday

ON ACCOUNT OF \$500 GIFT

Organizations Giving Any Sum in
Excess of \$100 Are Entitled to
Only One Place

At least one Rushville man—and
very probably more—will attend the
"invisible guest" luncheon at the
Claypool hotel in Indianapolis next
Monday. The minimum price for
each guest will be \$100, the money
to go to starving children of eastern
and central Europe.

The Rev. L. E. Brown, president
of the Rush county chapter of the
American Red Cross, is the only local
person assured of a seat at the
luncheon, and he has received a
ticket for the \$500 contribution
made by the Rush Co. chapter last
week to the European Relief Coun-
cil, headed by Herbert Hoover.

Since each seat at the luncheon is
to cost \$100, it would seem that the
Red Cross would be entitled to five
tickets, but this is not the case, ac-
cording to word received here. The
rule is that where organizations give
any sum in excess of \$100, they re-
ceive only one ticket.

The Main Street Christian church
the St. Paul's M. E. church and the
First United Presbyterian church
each contributed more than \$100
and whether each of these will have
one place at the luncheon is not yet
known.

Indications are now that Rush
county will contribute close to \$2,-
000, or possibly more to the cam-
paign to save the lives of 3,500,000
babies in Europe. Eight great Amer-
ican relief and welfare organiza-
tions have joined forces, with Her-
bert Hoover as the national chair-
man. Many of these organizations
entered into the campaign after they
had believed their war work and war
relief work had been concluded.
This was especially the case in con-
nection with the Knights of Colum-
bus.

The real tragedy of babies actual-
ly dying for want of a little nour-
ishing food has caused all of these
organizations to enlist with whole-
hearted effort in the campaign to
complete the \$33,000,000 fund which
Mr. Hoover says will be sufficient to
take care of the worst cases until

CHARLES L. HENRY IS RENAMED PRESIDENT

Annual Meeting of Indiana Public
Utility Association Attended
by Local Men

RELATIONSHIP DISCUSSED

Charles L. Henry, president of the
Indianapolis & Cincinnati Traction
company, was re-elected president
of the Indiana Public Utility Asso-
ciation at its annual meeting in In-
dianapolis Thursday. Local utilities
were represented at the afternoon
meeting, the banquet in the evening
in the Riley room of the Claypool
hotel and at the program following
the banquet.

The theme of the meeting was the
relation between the people and the
public utilities. All of the speakers
stressed the necessity of the cor-
porations providing water, light,
gas, passenger and freight service,
getting the viewpoint of the consum-
er, as well as attempting to get their
viewpoint fixed in the minds of the
people.

Some of the speakers dwelt on the
financial requirements of the public
utilities for development and pointed
out that as long as they were held
to an eight percent return by the
utility commissioners, they would be
no market for their securities. No
objection was raised to the fact
that public utilities are regulated,
but it was declared that their regu-
lation was not flexible enough and
did not meet conditions as they de-
veloped.

M'CRAY PREPARES TO FIGHT PRIMARY

Governor Calls Election Commis-
sioners and Legal Advisors To-
day to Prepare Bill

HE WOULD ABOLISH SYSTEM

Sen. Alldredge Introduces Bill Ex-
tending Primary to All of The
State Offices

(By United Press)
Indianapolis, Ind., Jan. 14.—Gov-
ernor Warren T. McCray today called
the state election commissioners
and his legal advisers into confer-
ence to perfect a bill abolishing the
direct primary system in Indiana,
except as it applies only to local
offices, in which case it would be op-
tional.

Even while this meeting was in
progress, Senator John Alldredge of
Anderson presented a bill to the leg-
islature extending the primary sys-
tem to all state offices. The Alldredge
bill would also abolish the presiden-
tial preference primary, provide for
selection of candidates by plurali-
ties instead of the majority vote and
would limit campaign expenses of
candidates for state offices and the
United States senate to \$3,500. By
spending more, a primary candidate
would forfeit the nomination.

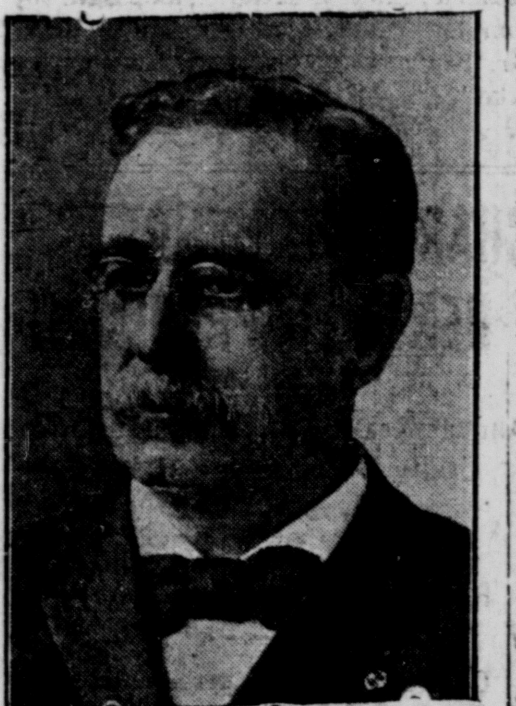

Governor McCray would do away
with the primary as it applies to
state offices, the United States sen-
ate, congress and delegates to na-
tional political conventions.

These conflicting elements created
a fight, which it is understood, will
attract politicians from other states.

Among those attending the con-
ference with the governor was Sen-
ator Beardsley of Elkhart who al-
ready has introduced a bill following
generally the principals outlined by
McCray in his initial message to the
legislature.

It is the plan to have the state at-
torney general draw up a measure
combining the views of both the gov-
ernor and Senator Beardsley.

***** OPENS REVIVAL AT ST. PAUL'S M. E. CHURCH *****

EVANGELIST L. W. MUNHALL

An evangelistic campaign was op-
ened at the St. Paul's M. E. church
Thursday night, to continue the re-
mainder of the month, by L. W.
Munhall, famous revivalist. Dr.
Munhall conducted a revival here in
1885 when Dr. Sergeant was pastor
of the church, and in outlining his
plans for the meetings, he referred
to that fact last night.

Dr. Munhall is accustomed to
holding campaigns in large cities,
but through his friendship with the
pastor, the Rev. C. S. Black, was
persuaded to come to Rushville. He
explained at the outset that during
the meetings he would deal with the
fundamentals taught by the word of
God, which is final authority and is
much preferred to the opinion of
men. He asked no one to believe him
unless he proves. The evangelist will
address a meeting for young people
between the ages of 12 and 30, Sun-
day afternoon at 3 o'clock. Tickets
have been distributed for the meet-
ing.

Dr. Munhall addressed the senior
and junior high school this after-
noon.

MAY SUE THE GOVERNMENT

Railroads Expected to Seek Damag-
es For Losses During War

(By United Press)
Washington, Jan. 14.—An intima-
tion that several of the big railroads
of the country will bring huge suits
against the federal government for
alleged damages to their properties
during the war time operation of the
roads by the railroad administra-
tion was seen in the testimony of
Thomas Dewitt Cuyler, president of
the association of railway execu-
tives, before the house interstate
commerce committee.

Cuyler said the southern railway
which refused to accept the guaran-
ty of 6 percent for the first month of
private operation after the roads
were returned to their owners,
would soon bring suit against the
government for \$84,000,000 damag-
es. His testimony left the inference
that other roads would do likewise.

DISCUSS LIVE STOCK DISEASES

Local Veterinarians Return From
Attending Three Day Session
of Association

TUBERCULOSIS MAIN TOPIC

Milk Inspection Takes Prominent
Part in Session and Several
Conclusions Reached

Local veterinarians have returned
from Indianapolis, where they at-
tended a three day session of the
Indiana Veterinary Medical associa-
tion, and all report a very profitable
meeting. Those from here who at-
tended the sessions were Drs. A. A.
Mull, R. J. Hall, D. D. Drago, J. L.
Craver and C. E. Morris.

Tuberculosis of cattle and swine
being the main topic, pointing the
facts that the loss to the Live Stock
Industry amounted to \$40,000,000
annually; also that it is a proven
fact Bovine Tuberculosis is very
readily transmitted to the human
family, and is the causative factor
in the majority of cases of tubercu-
losis in children.

Milk inspection also took a prom-
inent part bringing out facts that
large cities had better protection
than smaller ones owing to a law
compelling pasteurization of all milk
for human consumption. This when
properly done make cows milk com-
poundly safe, however it is costly
for the small dealer, but small cities
after the sanitation of all dairies
and compelling the Tuberculin test-
ing of all animals from which raw
milk is to be sold.

Bovine Tuberculosis is a disease
which cannot be readily detected on
clinical examination, but can be
positively diagnosed by the appli-
cation of the Tuberculin test applied
by a competent veterinarian; there-
fore a perfectly honest dairyman
may be selling dangerous milk and
not be aware of the fact.

It was also pointed out that in
some schools milk of unknown
wholesomeness was supplied to the
children thereby adding more infec-
tion to their already acquired trou-
ble. A resolution was passed re-
questing every veterinarian to use
his influence with the board of
health in his locality to make an ef-
fort to procure a better and safe
milk supply, thereby guarding the
health of the children.

SHORT COURSE IS VERY SUCCESSFUL

With a Series of Six Demonstrations
The Farmer's Annual Meeting is
Closed Today

DAIRY MEN MEET FINAL DAY

General One Week's Course to be
Followed by Eight Weeks' Course
in Agriculture Monday

Lafayette, Ind., Jan. 14.—With a
series of six demonstrations to show
the practical way for judging poultry
and cattle; inoculating legume
seed with bacteria, treating potato
seed to prevent diseases, a modified
treatment for oat smut, and factors
influencing production of prize win-
ning animals, the farmers' annual
short course closed this afternoon at
Purdue University. The short course
was the most successful ever held
and probably established a new re-
cord for attendance, although final
figures on registration cannot be
tabulated for several days. The visit
of the legislature yesterday attract-
ed an unusually large crowd.

Another important feature of the
final day's program was the meeting
of the dairy cattle breed associa-
tions, Jersey, Guernsey, Holstein
and Ayrshire. Breeders of these cat-
tle were out in force and every meet-
ing was well attended, most of the
men staying over from the annual
meeting of the Indiana State Dairy
Association Thursday.

Before the soils and crops section
Prof. G. I. Christie, director of the
agricultural experiment station, cit-
ed some of the big problems con-
fronting farmers, calling attention
to the market propositions and pro-
duction phases. F. E. Robbins of the
instructional corps explained the
grain grading work and Prof. W. C.
Aikenhead delivered an illustrated
lecture on power farming, showing
farmers using tractors and many
labor saving devices. W. A. Ostran-
der discussed soybeans and their
production in Indiana. R. B. Goss
spoke on tractor operation and em-
phasized the point that everyman
should know his machine so as to
get the best out of it. O. S. Roberts
urged buying of high grade fertil-
izers, pointing out how it meant
economy in the long run.

BALLOONISTS GIVEN ROUSING RECEPTION

Met by Relatives in New York To-
day and Are Protected From
Crowd by Police

FARRELL "LION" OF PARTY

(By United Press)

New York, Jan. 14.—America's
famous balloonists, Lieut. Farrel,
Clure and Hinton, were given an
ovation by a crowd estimated at
more than 2,000 when they arrived
today at the Pennsylvania station.
Police were called to keep back
the crowds that threatened to rush
through the gate platform to give a
personal greeting to the three of-
ficials who completed the last lap of
their eventful journey that started
December 13.

Mrs. Stephen Farrel and son, Mrs.
Walter Hinton, and Miss Alex Flow-
erton, fiancée to Lieut. Clure, met the
officers.

Lieut. Farrel was the "lion" of the
ceremonies. The crowd kept yelling,
"Where is Farrel. We want Farrel!"
Farrel smiled and lifted his cap in
recognition.

Outside the gate the group had to
fight their way through the crowd
behind a squad of police.

Amusements

“Two Kinds of Love”, Mystic
If past performances are any indication, then “Two Kinds of Love”, the Universal photo-drama presented by an all-star cast and directed by Reaves Eason which is being shown at the Mystic Theatre today should prove one of the most interesting stories of the year.

“Two Kinds of Love” is the result of the combined efforts of two of the most brilliant writers who are devoting their present time to the screen. One is Douglas Doty, formerly editor of the Century Magazine and before that a well known writer for leading publications.

“Humoresque” Makes a Hit

Vera Gordon, the actress who makes such a tenderly appealing figure of the mother in “Humoresque,” was engaged to play the role as the result of a luck coincidence. Miss Gordon is an enthusiastic traveller and has explored practically every corner of the globe. She combines business with pleasure, accepting theatrical engagements abroad in order to become acquainted with foreign lands. In this way she has become mistress of six or seven different languages and is at home in Vladivostok, Honolulu or New York.

Miss Gordon, just returning from one of her periodical trips abroad, was descending the steamer gangplank when Frank Borzage, director of “Humoresque” was looking for a friend arriving on the same ship. Spied her. Borzage was at that time picking players for the different roles in the picture. He saw at once that Miss Gordon was the ideal type for “Mama Kantor” and, having

JOHN H. BERNIS of Cincinnati, Ohio, who says his wonderful restoration to health since taking Tanlac has astonished all his friends, has gained twenty pounds.

“My friends are all astonished over my wonderful restoration to health since taking Tanlac,” said John H. Bernis, of 308 East Front St., Cincinnati, Ohio, recently.

“I don't know what it is, but there is something about Tanlac that certainly does the work,” he said, “and I firmly believe if it hadn't been for this medicine I wouldn't be here now. It completely restored my health and I have gained twenty pounds besides. I have a splendid appetite now, and can eat anything I want without being troubled in the least afterwards.”

“Before taking Tanlac my health was dreadfully rundown. My main trouble was indigestion, and I suffered misery night and day. I never seemed hungry, and the little I ate upset my stomach. I was nervous and couldn't get a good night's sleep. I lost thirty-four pounds and was going down hill rapidly. It seemed like the more medicine I took the worse I got.”

“But since taking Tanlac I am like a brand new man. I sleep like a farm hand all night and feel just fine all day. In fact, I am a perfectly well man once more. Tanlac certainly beats anything I ever saw in my life.”

Tanlac is sold in Rushville by F. B. Johnson Co., in Milroy by Dallas Copper, in Manilla by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, in Carthage by Otto C. McCarty, and in New Salem by Mrs. Jos. Hankins, R. R. 2.—(Adv.)

the next European harvest.

The organizations now banded together under Mr. Hoover's direction in this great work of humanity are: The American Relief Administration, American Red Cross, Friends Church (Quakers) Service Committee, Council of the Churches of Christ, Knights of Columbus, Jewish Joint Distribution committee, the Y. M. C. A. and the Y. W. C. A. It will be seen that the campaign is non-sectarian and non-political—it is, as Mr. Hoover points out, "for the purpose of fostering the greatest plea for mercy that has come to this generation."

It has been demonstrated that \$10 will save the life of one of those starving babies until the next harvest. Parents in America are appealed to, in the name of children they love, to come quickly to the aid of the future citizenry of Europe. "It is better to instill a love for America in the hearts of those little ones than it is to spend an equal amount in constructing a great dreadnaught," asserts Mr. Hoover. It is pointed out that the need is immediate, that babies are dying hourly because the American food kitchens have not enough food to ward off the tragic fate. In Indiana the appeal is made "Help Hoover Save These Babies," with the adjuration: "He gives twice who gives quickly."

Senate Bill 21
Senate bill 21, it is explained, would enable smaller cities, in emergencies of their own, to vote on the question whether they deemed it wise and necessary to create a special or extraordinary local debt for the improvement or enlargement of public utilities publicly owned. These smaller cities now declare that in view of all that has been done

to empower Indianapolis to go ahead with her development, it is to be expected that Indianapolis law-makers this year will give careful study to the needs of other cities and to the question whether a 2 percent limit actually hampers those smaller cities as it once tended to handicap Indianapolis.

Under senate bill 21 it would be necessary to go to the voters of the city or town at a special or general election and get the majority endorsement in order to create a new taxing unit capable of levying taxes or issuing bonds for public utility purposes. Before Washington, Indiana, for example, could raise money with which to extend the public service rendered by her city utility plant, the voters of that city would have to agree, at the polls, to assume the added burden and to accept the new taxing unit in addition to the city and the school city now in operation. The bill is to be favorably reported.

The bill is designed specially to help a condition existing at Washington, Ind. This illustrates one of the very gravest mistakes in law making. An attempt is made to correct a situation in a given locality by passing a law. This law applies to all similar localities all over the state and in many instances is used for purposes for which it was not designed.

In this case, there is probably not a demand for such legislation only at Washington, yet it is proposed to make the law apply to all cities in the state except Indianapolis. In Rushville there is no call for such a statute and it is doubtful if there is elsewhere in the state where cities own their own utilities.

This bill would only serve to erect another story to the large superstructure of taxation which already exists. We have now the civil city and the school city, each with the two percent taxing limit, and to add the utility city would serve only to undermine the credit of the city further and increase its chances to create debts. The school and civic city are one and the same physically and in the matter of taxables, so that now the bonded indebtedness limit is in reality not two percent of the total valuation of the property in the city, but four percent. If senate bill 21 becomes a law, it will raise the actual bonded indebtedness limit to six percent. The law pretends that the limit is two percent, but the statute was evaded with the creation of the bonded indebtedness limit for the school city and now it is proposed to raise the limit two percent more with the creation of the utility city.

'Will it Perform as well as the Chalmers?'

This question was asked recently by a Chalmers owner, which shows the standard by which many men judge the merits of a motor car. It indicates the position this car holds in the personal transportation of America.

Right to be considered a model is hard won. Only through service has the Chalmers earned its right.

Just as the Chalmers cars are the standard in many sections of the country, there are Chalmers cars in all sections, running under all conditions.

Why Worry About Radiator Trouble

Save time, money and trouble, by equipping your Ford with a radiator that is good enough to be fully guaranteed in writing by the manufacturer. Not an experiment, but a tested and proven radiator made of finest materials and with a new, patented construction that gives extra strength and will stand repeated freezing without bursting.

A Guaranteed Ford Radiator

Will perfectly cool the motor in the hottest weather, no matter how hard the going. In cold weather this radiator is absolutely guaranteed to stand freezing over and over again without bursting. Every radiator bears a guarantee tag. The patented construction gives the core elasticity to take up road shocks and strains—that explains why the "Lober" gives such long service. Made of brass—it will not corrode and leak. Water tubes are straight—they will not clog. Come in and see this radiator.

Sleeps and Eats Like Growing Boy Thanks To Dreco

First time in 20 years has been free from constipation. Relief from collection of gas after every meal is worth the price of 100 bottles of Dreco, he says.

Mr. Geo. W. Cory, a well known dealer in Wall Paper, who resides at 1335 Liberty St., Terre Haute, Ind., relates the following:—

"I surely have found out some good things about Dreco in the last three weeks, when I started to take it, it was not so well known here, but now I am hearing good things about Dreco all the time, for so many people around here have been benefitted by it.

"I used to be in great distress for two for three hours after each meal and I was afraid to eat more than half as much as I wanted for everything fermented and gave me heartburn, filling me up with sour gas, I had to get up a number of times during the night to relieve my kidneys, but that is all over since taking Dreco.

"I can now eat three good meals a day, without any bad after-effects and go to bed and sleep the night through; in fact, I feel like a new man and I surely do appreciate the benefit I have received from Dreco."

Dreco is made from the juices of twelve different herbs, roots, barks and leaves, which act directly on the stomach, liver, kidneys, bladder and the blood, and tends to relieve constipation, headaches, rheumatism, catarrh, biliousness, dizzy spells, heart flutterings, gas on the stomach and other troubles.

All druggists now sell Dreco and it is being especially introduced in Rushville by F. B. Johnson & Co.—(Adv.)

Carthage and Rushville High Schools Arrange a Game For This City Saturday Night

SCORES GIVE FORMER EDGE

Rushville Denies Charge of "Cold Feet", Declaring Greensburg Will be Played

Following the appearance last night in the Daily Republican of an account of a basketball game in which Carthage won out over Connersville, and claims the edge on all Rush county teams, Coach Sutton immediately decided to settle all arguments and the two teams will play here Saturday night.

It will be the first time this season that Carthage and Rushville have met, and as Carthage has been going big this season, the game should be equally as important as the Milroy-Rushville contest.

The sudden arranging of the game will probably not be any drawback to the attendance and the word was quickly being passed around the county that the two teams would meet for the county honors, or to show that the "dope bucket" is not always reliable.

It was stated today that basketball fans living in the southern part of the county were claiming that Rushville got "cold feet" and cancelled the Greensburg game, which was scheduled for tonight in that city. The smallpox situation is bad in Greensburg, and the school officials here sated that it would probably be the best thing to do.

The state high school athletic association provides a forfeit of \$10 by the team cancelling a game, but the Greensburg school officials refused to accept the money, on account of the reasons for cancelling the game. The contest will be staged later on during the season.

Carthage will send a big delegation of rooters here tomorrow night and it is expected that the gymnasium will be taxed to its limit. The preliminary game will begin at 7:15

ARLINGTON NOSED OUT BY FAIRVIEW

Defeated in Game on Modern Appliance Floor Here Thursday Night By Score of 17 to 13

ARLINGTON LEAD FIRST HALF

An exciting game was played on the Modern Appliance floor here last night when the Fairview Athletic Club barely nosed out the Arlington Athletic Club, 17 to 13. Arlington lead in the first half 9 to 8, but in the final period of play the Fairview quintet came back stronger and found the basket for the winning points.

The game was a thriller and was not decided until the final whistle blew. The attendance was not very large because of the weather, but it is hoped that on next Thursday night a large crowd will be out to see the Connersville Legion team play the Arlington club.

In a preliminary game, the Arlington high school had a walk-away with the Orange high school, winning 33 to 9. The losers at no time caused much concern, and the winners had everything their own way.

The score and summary:

Fairview (17) Arlington (13)
Hill F Thorp
Smelser F Metsker
Seales C Woods
Hineman G Whitesides
Royalty G Northam

Field goals: Thorp 2, Metsker 2, Whitesides, Seales 2, Hill 3, Smelser 3. Foul goals, Woods 3, Smelser. Referee Wertz of Indianapolis.

and will be played between the two second teams of Carthage and Rushville. Last Saturday the locals won from this team by a close score, and this game also will no doubt be a thriller.

Following the game Saturday, Coach Sutton will put his squad through hard practice all next week in preparation of the Columbus game, which will be played on Friday, in this city. The preliminary game for next Friday will be between Laurel and the local second team.

MANY IMPORTANT GAMES SCHEDULED

Connersville Plays at Richmond and Newcastle Journeys to Spiceland For Game

FRANKLIN AT SHELBYVILLE

While the Rushville high school basketball team is resting tonight, there will be many important games played in this part of the state, which will be of interest to local fans. The Connersville high will go up in Wayne county to meet the Richmond team and as Rushville has a game with each of these teams, the outcome will be awaited anxiously. In Henry county, two old rivals clash tonight, when Newcastle goes down to Spiceland for a game. Newcastle has won from Spiceland once, and the game tonight will be a lively affair.

Schellville stages the most important game of their season tonight on the home floor, when the Franklin basketballers come for a game. Both teams are confident and will probably meet in the final game for the sectional tourney at Franklin in March. Carthage plays at Cambridge City tonight, which means a victory for Carthage, and Milroy will have easy sailing at Westport.

TO HOLD DEBATE TONIGHT

The Richland Township Farmers' Association will hold a special meeting on Friday night at Butler. This meeting is called to take the place of regular meeting for last week which was postponed on account of bad weather. The side debate to have been held before will be staged at this meeting. A full attendance is desired.

CONWAY TO MANAGE TAIL LIGHTS AGAIN

Guy Mulbarger Elected Treasurer and Earl Conway, Secretary, at Meeting Last Night

WANT A NEW BASEBALL PARK

The Tail Lights, Rushville representative baseball team of the past two seasons, held a meeting last night for the purpose of perfecting the organization of the club for the approaching season.

John Conway, was again elected as manager of the team, Guy Mulbarger was chosen treasurer and Earl Conway, as secretary. Practically all of the players were present that played on the team last year, and the same line-up will again be used, with possibly two or three changes, including a pitcher and one or two sluggers.

The subject for discussion now is to secure a good location for a baseball park, and two or three sites are in view. It is hoped by the organization that some lodge or community club in Rushville will take over the project of securing a diamonds and take charge of the new park.

The most desirable location is the old South Main street diamonds, which if put in shape with a modern grand stand, will present one of the best baseball parks in this part of the state.

Are lumps of undigested food causing you pain? Is your stomach acid, gassy, sour, or have you flatulence, heartburn? Then take Pape's Diapepsin. Just as soon as you eat a tablet or two of Pape's Diapepsin all that dyspepsia, indigestion and stomach distress caused by acidity ends. These pleasant, harmless tablets of Pape's Diapepsin never fail to make sick, upset stomachs feel fine at once, and they cost very little at drug stores.

CARTHAGE WILL HOLD INVITATIONAL MEET

Gymnasium in Community Building Being Constructed Will be Dedicated With Tournament

RUSHVILLE TO BE INVITED

Principal L. E. Dyer and Coach Chambers of the Carthage high school, are planning to hold an invitational tournament some time in February in Carthage and will dedicate the new gymnasium in the community building which is now being completed in that town.

The plans include eight or ten teams which will take part in the meeting, and Rushville will be invited to send their team. Besides Rushville and Carthage, the other teams which will be asked to take part, are Morristown, Knightstown, Charlottesville, Greenfield, Arlington, and Westland.

Coach Sutton of the Rushville team stated that before accepting, it would be necessary to know the date so that it would not conflict with any scheduled game here, or with the invitational tourney which will be held in Rushville on February 19. If Rushville accepts the invitation, it would mean that the locals will have part in three tournaments, Carthage, the county tourney here and the sectional meet in March.

Mr. and Mrs. Cecil Ream of Marion, Ind., are the house guests of Mr. and Mrs. Orville Bartlett of this city for a few days. The young couple were recently married and are spending their honeymoon in this city. The bride was formerly Miss Charlotte Britt of Marion.

Mr. and Mrs. Harry Mull living southwest of Rushville entertained with a high noon dinner party Wednesday the following guests: Mr. and Mrs. Charles Wilson and family, Mr. and Mrs. Roy Murphy, Russell Murphy, Virgil Wilson and Miss Mildred Wilson, all of New Salem.

Mrs. Charles Stewart was hostess for the members of the Yomo club yesterday afternoon at her home in North Jackson street. Ten members were present and enjoyed the afternoon with an informal social party and with needlework. Dainty refreshments were served at the close of the meeting.

Members of the Dr. Gilbert Sunday school class will be entertained Thursday afternoon, January 20, at the home of Mrs. Joe Clark, 1130 North Perkins street, by the officers and captains and assistant captains of the class. Each member is urged to respond to their captain not later than Monday evening.

Miss Edith Richardson, daughter of Mr. and Mrs. Harvey Richardson, was united in marriage to Floyd Bryant, son of Mr. and Mrs. Perry J. Bryant of near Arlington, yesterday afternoon at the Main Street Christian parsonage by the Rev. L. E. Brown. Mr. and Mrs. Bryant will reside on a farm in this county.

The Farm Women's auxiliary of Noble township will meet at the home of Mrs. Mon Sefton Tuesday evening when the men will hold the meeting in the school building. This meeting will be guest night and an appropriate musical and literary program is being planned. The responses to the roll call will be "Childhood Sayings." All members of the auxiliary are urged to be present and to bring a guest.

Twenty-five members attended the regular meeting of the Woman's Home Missionary society of the St. Paul's M. E. church yesterday afternoon, at the home of Mrs. D. D. VanOsdol in West Third street. An excellent program was given which consisted of a paper prepared by Mrs. Offutt on "Porto Rico"; reading by Mrs. Charles Hugo; and special music. Mrs. Sophia VanOsdol of Newcastle, Ind., was a guest at the meeting. During the social hour following the program the hostess served dainty refreshments.

The Loyal Workers Bible class of the Raleigh Christian church were entertained last evening at the home of Mr. and Mrs. Robert Sharp with a pitch-in supper. An important business meeting was held following the supper, during which articles for the constitution of the class were voted upon and many other business matters were discussed. The class is a new organization and at this meeting it was decided to meet twice a month and at each meeting a pitch-in supper will be served. The next meeting will be held January 25.

RECOVERS FROM OPERATION

Mrs. John B. Morris of this city is recovering from the effects of a serious operation which she underwent in an Indianapolis hospital earlier in the week for mastoid trouble.

Feels Like a Real Fellow

"After nine years of stomach suffering, colic attacks and bloating, I feel like a living person again. Four doses of Mayr's Wonderful Remedy have entirely restored me. I have met a great many people who, I am sure, need this medicine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At Druggists Everywhere.—Adv.

"IN THE PUBLIC EYE"

An eye-headache sometimes accompanied by an earache and burning sensations of the eyes is caused by an over effort of the brain to understand a blurred image that has been thrown on the retina of the eye. In the eye-camera the foci are changed by the eye muscles that swell and reduce the shape of the crystalline lens. When these muscles become weakened an optometrist must prescribe the outer-man-made lenses to bring about this focus accommodation.

The NEW EDISON

"The Phonograph with a Soul"

At last you can learn What Edison Did during the War

YOU wondered—every-body wondered, and practically nobody knew how Edison "did his bit." At last the official announcement is out! Come in and get your copy of the bulletin: "What Did Edison Do During the War?"—or write, if you can't call.

It tells what Edison did while Chairman of the Naval Consulting Board—how he spent months at sea, experimenting and in-

venting devices for foiling the German submarines.

The bulletin also tells how Edison stood the gaff and kept the price of the New Edison down to bed-rock during the era of high costs and soaring prices. The New Edison has increased in price less than 15% since 1914—part of this increase is war tax. The bulletin also tells Mr. Edison's views on our Budget Plan which makes the New Edison easy to buy.

Amusements

"Two Kinds of Love," Mystic.
If past performances are any indication, then "Two Kinds of Love," the Universal photo-drama presented by an all-star cast and directed by Reaves Eason which is being shown at the Mystic Theatre today should prove one of the most interesting stories of the year.

"Two Kinds of Love" is the result of the combined efforts of two of the most brilliant writers who are devoting their present time to the screen. One is Douglas Doty, formerly editor of the Century Magazine and before that a well known writer for leading publications.

"Humoresque" Makes a Hit

Vera Gordon, the actress who makes such a tenderly appealing figure of the mother in "Humoresque," was engaged to play the role as the result of a luck coincidence. Miss Gordon is an enthusiastic traveller and has explored practically every corner of the globe. She combines business with pleasure, accepting theatrical engagements abroad in order to become acquainted with foreign lands. In this way she has become mistress of six or seven different languages and is at home in Vladivostok, Honolulu or New York. Miss Gordon, just returning from one of her periodical trips abroad, was descending the steamer gang-plank when Frank Borzage, director of "Humoresque" was looking for a friend arriving on the same ship, spied her. Borzage was at that time picking plays for the different roles in the picture. He saw at once that Miss Gordon was the ideal type for "Mama Kantor" and, having

met her previously during his own career as an actor, he approached her with the proposition. The result was that Miss Gordon appeared at the Cosmopolitan studio the next morning ready for work.

She enjoyed an extensive experience on the stage previous to her debut in pictures, playing leading roles in "The Land of the Free" and "The Gentle Wife." "Humoresque" will be the feature attraction at the Princess tonight having scored a hit with the audience yesterday.

JOHN H. BERNIS of Cincinnati, Ohio, who says his wonderful restoration to health since taking Tanlac has astonished all his friends, has gained twenty pounds.

"My friends are all astonished over my wonderful restoration to health since taking Tanlac," said John H. Bernis, of 308 East Front St., Cincinnati, Ohio, recently.

"I don't know what it is, but there is something about Tanlac that certainly does the work," he said, "and I firmly believe if it hadn't been for this medicine I wouldn't be here now. It completely restored my health and I have gained twenty pounds besides. I have a splendid appetite now, and can eat anything I want without being troubled in the least afterwards."

"Before taking Tanlac my health was dreadfully rundown. My main trouble was indigestion, and I suffered misery night and day. I never seemed hungry, and the little I ate upset my stomach. I was nervous and couldn't get a good night's sleep. I lost thirty-four pounds and was going down hill rapidly. It seemed like the more medicine I took the worse I got."

"But since taking Tanlac I am like a brand new man. I sleep like a farm hand all night and feel just fine all day. In fact, I am a perfectly well man once more. Tanlac certainly beats anything I ever saw in my life."

Tanlac is sold in Rushville by F. B. Johnson Co. in Mifflin by Dallas Copper, in Manilla by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, in Carthage by Otto C. McCarty, and in New Salem by Mrs. Jos. Hankins, R. R. 2. (Adv.)

the next European harvest.

The organizations now banded together under Mr. Hoover's direction in this great work of humanity are: The American Relief Administration, American Red Cross, Friends Church (Quakers) Service Committee, Council of the Churches of Christ, Knights of Columbus, Jewish Distribution Committee, the Y. M. C. A. and the Y. W. C. A. It will be seen that the campaign is non-sectarian and non-political—it is, as Mr. Hoover points out, "for the purpose of fostering the greatest plea for mercy that has come to this generation."

It has been demonstrated that 10 will save the life of one of those starving babies until the next harvest. Parents in America are appealed to, in the name of children they love, to come quickly to the aid of the future citizenry of Europe. "It is better to instill a love for America in the hearts of those little ones than it is to spend an equal amount in constructing a great dreadnaught," asserts Mr. Hoover. It is pointed out that the need is immediate, that babies are dying hourly because the American food kitchens have not enough food to ward off the tragic fate. In Indiana the appeal is made "Help Hoover Save These Babies," with the adjuration: "He gives twice who gives quickly."

Neglect Keeps

Doctors Busy

An eminent physician once said: "Were it not for people who neglect the early symptoms of disease, many doctors would have to find a new way to make a living."

Every winter doctors are busy calling on grippe and pneumonia patients because the first symptoms of colds were neglected.

Watch out for a cold this year. At the first sneeze and snuffle take Lightning Laxative Quinine Tablets. You'll stop the cold and feel like a new person in 24 hours. Never gripe or sicken. Druggists guarantee them.—25c a box.

Senate Bill 21

Senate bill 21, it is explained, would enable smaller cities, as emergencies of their own, to vote on the question whether they deemed it wise and necessary to create a special or extraordinary local debt for the improvement or enlargement of public utilities publicly owned. These smaller cities now declare that in view of all that has been done

to empower Indianapolis to go ahead with her development, it is to be expected that Indianapolis law-makers this year will give careful study to the needs of other cities and to the question whether a 2 percent limit actually hampers those smaller cities as it once tended to handicap Indianapolis.

Under senate bill 21 it would be necessary to go to the voters of the city or town at a special or general election and get the majority endorsement in order to create a new taxing unit capable of levying taxes or issuing bonds for public utility purposes. Before Washington, Indiana, for example, could raise money with which to extend the public service rendered by her city utility plant, the voters of that city would have to agree, at the polls, to assume the added burden and to accept the new taxing unit in addition to the city and the school city now in operation. The bill is to be favorably reported.

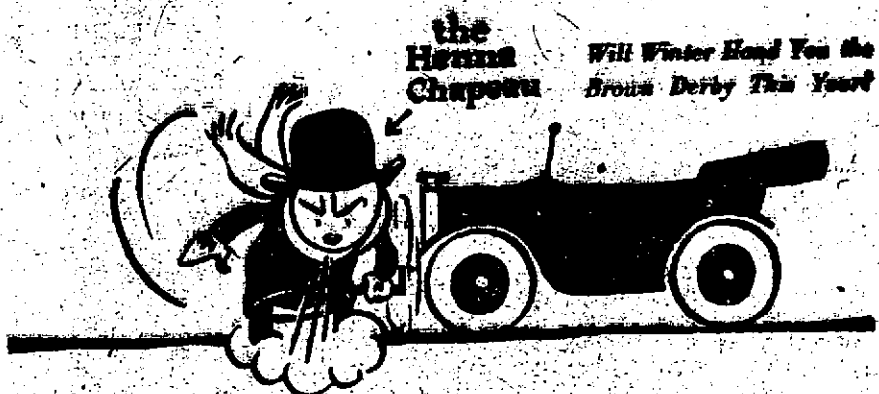

The bill is designed specially to help a condition existing at Washington, Ind. This illustrates one of the very gravest mistakes in law making. An attempt is made to correct a situation in a given locality by passing a law. This law applies to all similar localities all over the state and in many instances is used for purposes for which it was not designed.

In this case, there is probably not a demand for such legislation only at Washington, yet it is proposed to make the law apply to all cities in the state except Indianapolis. In Rushville there is no call for such a statute and it is doubtful if there is elsewhere in the state where cities own their own utilities.

This bill would only serve to erect another story to the large superstructure of taxation which already exists. We have now the civil city and the school city, each with the two percent taxing limit, and to add the utility city would serve only to undermine the credit of the city further and increase its chances to create debts. The school and civic city are one and the same physically and in the matter of taxables, so that now the bonded indebtedness limit is in reality not two percent of the total valuation of the property in the city, but four percent. If senate bill 21 becomes a law, it will raise the actual bonded indebtedness limit to six percent. The law pretends that the limit is two percent, but the statute was evaded with the creation of the bonded indebtedness limit for the school city, and now it is proposed to raise the limit two percent more with the creation of the utility city.

Sleeps and Eats Like Growing Boy Thanks To Dreco

First time in 20 years has been free from constipation. Relief from collection of gas after every meal is worth the price of 100 bottles of Dreco, he says.

Mr. Geo. W. Cory, a well known dealer in Wall Paper, who resides at 1325 Liberty St., Terre Haute, Ind., relates the following:

"I surely have found out some good things about Dreco in the last three weeks, when I started to take it, it was not so well known here, but now I am hearing good things about Dreco all the time, for so many people around here have been benefitted by it.

"I need to be in great distress for two for three hours after each meal and I was afraid to eat more than half as much as I wanted for everything fermented and gave me heartburn, filling me up with sour gas, I had to get up a number of times during the night to relieve my troubles, but that is all over since taking Dreco.

"I can now eat three good meals a day, without any bad after-effects and go to bed and sleep the night through; in fact, I feel like a new man and I surely do appreciate the benefit I have received from Dreco."

Dreco is made from the juices of twelve different herbs, roots, barks and leaves, which act directly on the stomach, liver, kidneys, bladder and the blood, and tends to relieve constipation, headaches, rheumatism, catarrh, biliousness, dizzy spells, heart flutterings, gas on the stomach and other troubles.

All druggists now sell Dreco and it is being especially introduced in Rushville by F. E. Wolcott & Co. (Adv.)

Carthage and Rushville High Schools Arrange a Game For This City Saturday Night

SCORES GIVE FORMER EDGE

Rushville Denies Charge of "Cold Feet", Declaring Greensburg Will be Played

Following the appearance last night in the Daily Republican of an account of a basketball game in which Carthage won out over Connersville, and claims the edge on all Rush county teams, Coach Sutton immediately decided to settle all arguments and the two teams will play here Saturday night.

It will be the first time this season that Carthage and Rushville have met, and as Carthage has been going big this season, the game should be equally as important as the Milroy-Rushville contest.

The sudden arrangement of the game with probably not be any drawback to the attendance and the word was quickly being passed around the county that the two teams would meet for the county honors, or to show that the "dope bucket" is not always reliable.

It was stated today that basketball fans living in the southern part of the county were claiming that Rushville got "cold feet" and cancelled the Greensburg game, which was scheduled for tonight in that city. The smallpox situation is bad in Greensburg, and the school officials here said that it would probably be the best thing to do.

The state high school athletic association provides a forfeit of \$10 for the team cancelling a game, but the Greensburg school officials refused to accept the money, on account of the reasons for cancelling the game. The contest will be staged later on during the season.

Carthage will send a big delegation of rooters here tomorrow night and it is expected that the gymnasium will be taxed to its limit. The preliminary game will begin at 7:15

ARLINGTON NOSED OUT BY FAIRVIEW

Defeated in Game on Modern Appliance Floor Here Thursday Night By Score of 17 to 13

ARLINGTON LEAD FIRST HALF

An exciting game was played on the Modern Appliance floor here last night when the Fairview Athletic Club barely nosed out the Arlington Athletic Club, 17 to 13. Arlington led in the first half 9 to 5, but in the final period of play the Fairview quintet came back stronger and found the basket for the winning points.

The game was a thriller and was not decided until the final whistle blew. The attendance was not very large because of the weather, but it is hoped that on next Thursday night a large crowd will be out to see the Connersville Legion team play the Arlington club.

In a preliminary game, the Arlington high school had a walk-away with the Orange high school, winning 33 to 9. The losers at no time caused much concern, and the winners had everything their own way.

The score and summary:

Fairview (17)	Arlington (13)
Hill	Thorp
Smelser	Metsker
Seales	Woods
Hinchman	Whitesides
Royalty	Northam
Field goals: Thorp 2, Metsker 2, Whitesides, Seales 2, Hill 3, Smelser 3. Foul goals, Woods 3, Smelser.	
Referee Wertz of Indianapolis.	

and will be played between the two second teams of Carthage and Rushville. Last Saturday the locals won from this team by a close score, and this game also will no doubt be a thriller.

Following the game Saturday, Coach Sutton will put his squad through hard practice all next week in preparation of the Columbus game, which will be played on Friday, in this city. The preliminary game for next Friday will be between Laurel and the local second team.

MANY IMPORTANT GAMES SCHEDULED

Connersville Plays at Richmond and Newcastle Journeys to Spiceland For Game

FRANKLIN AT SHELBYVILLE

While the Rushville high school basketball team is resting tonight, there will be many important games played in this part of the state, which will be of interest to local fans. The Connersville high will go up in Wayne county to meet the Richmond team and as Rushville has a game with each of these teams, the outcome will be awaited anxiously. In Henry county, two old rivals clash tonight, when Newcastle goes down to Spiceland for a game. Newcastle has won from Spiceland once, and the game tonight will be a lively affair.

Shelbyville stages the most important game of their season tonight on the home floor, when the Franklin basketball team comes for a game. Both teams are confident and will probably meet in the final game for the sectional tourney at Franklin in March. Carthage plays at Cambridge City tonight, which means a victory for Carthage, and Milroy will have easy sailing at Westport.

TO HOLD DEBATE TONIGHT

The Richland Township Farmers' Association will hold a special meeting on Friday night at Butler. This meeting is called to take the place of regular meeting for last week which was postponed on account of bad weather. The silo debate to have been held before will be staged at this meeting. A full attendance is desired.

CONWAY TO MANAGE TAIL LIGHTS AGAIN

Guy Mulbarger Elected Treasurer and Earl Conway, Secretary, at Meeting Last Night

WANT A NEW BASEBALL PARK

The Tail Lights, Rushville representative baseball team of the past two seasons, held a meeting last night for the purpose of perfecting the organization of the club for the approaching season.

John Conway, was again elected as manager of the team, Guy Mulbarger was chosen treasurer and Earl Conway, as secretary. Practically all of the players were present that played on the team last year, and the same line-up will again be used, with possibly two or three changes, including a pitcher and one or two sluggers.

The subject for discussion now is to secure a good location for a baseball park, and two or three sites are in view. It is hoped by the organization that some lodge or community club in Rushville will take over the project of securing a diamonds and take charge of the new park.

The most desirable location is the old South Main street diamonds, which if put in shape with a modern grand stand, will present one of the best baseball parks in this part of the state.

WHEN MEALS HIT BACK

"Pape's" Diapepsin" instantly Ends Indigestion, Sourness, Stomach Acidity

Are lumps of undigested food causing you pain? Is your stomach acid, gassy, sour, or have you flatulence, heartburn? Then take Pape's Diapepsin. Just as soon as you eat a tablet or two of Pape's Diapepsin all that dyspepsia, indigestion and stomach distress caused by acidity ends. These pleasant, harmless tablets of Pape's Diapepsin never fail to make sick, upset stomachs feel fine at once, and they cost very little at drug stores.

CARTHAGE WILL HOLD INVITATIONAL MEET

Gymnasium in Community Building Being Constructed Will be Dedicated With Tournament

RUSHVILLE TO BE INVITED

Principal L. E. Dyer and Coach Chambers of the Carthage high school, are planning to hold an invitational tournament some time in February in Carthage and will dedicate the new gymnasium in the community building which is now being completed in that town.

The plans include eight or ten teams which will take part in the meeting, and Rushville will be invited to send their team. Besides Rushville and Carthage, the other teams which will be asked to take part, are Morristown, Knightstown, Charlottesville, Greenfield, Arlington, and Westland.

Coach Sutton of the Rushville team stated that before accepting, it would be necessary to know the date so that it would not conflict with any scheduled game here, or with the invitational tourney which will be held in Rushville on February 19. If Rushville accepts the invitation, it would mean that the locals will have part in three tournaments; Carthage, the county tourney here and the sectional meet in March.

Mr. and Mrs. Cecil Ream of Marion, Ind., are the house guests of Mr. and Mrs. Orville Bartlett of this city for a few days. The young couple were recently married and are spending their honeymoon in this city. The bride was formerly Miss Charlotte Britt of Marion.

Mr. and Mrs. Harry Mull, living southwest of Rushville, entertained with a high noon dinner party Wednesday the following guests: Mr. and Mrs. Charles Wilson and family, Mr. and Mrs. Roy Murphy, Russell Murphy, Virgil Wilson and Miss Mildred Wilson, all of New Salem.

Mrs. Charles Stewart was hostess for the members of the Yolo club yesterday afternoon at her home in North Jackson street. Ten members were present and enjoyed the afternoon with an informal social party and with needlework. Dainty refreshments were served at the close of the meeting.

Members of the Dr. Gilbert Sunday school class will be entertained Thursday afternoon, January 20, at the home of Mrs. Joe Clark, 1130 North Perkins street, by the officers and captains and assistant captains of the class. Each member is urged to respond to their captain not later than Monday evening.

Miss Edith Richardson, daughter of Mr. and Mrs. Harvey Richardson, was united in marriage to Floyd Bryant, son of Mr. and Mrs. Perry J. Bryant of near Arlington, yesterday afternoon at the Main Street Christian parsonage by the Rev. L. E. Brown. Mr. and Mrs. Bryant will reside on a farm in this county.

The Farm Women's auxiliary of Noble township will meet at the home of Mrs. Mon Sefton Tuesday evening when the men will hold the meeting in the school building. This meeting will be guest night and an appropriate musical and literary program is being planned. The responses to the roll call will be "Childhood Sayings." All members of the auxiliary are urged to be present and to bring a guest.

Twenty-five members attended the regular meeting of the Woman's Home Missionary society of the St. Paul's M. E. church yesterday afternoon, at the home of Mrs. D. D. VanOsdol in West Third street. An excellent program was given which consisted of a paper prepared by Mrs. Offutt on "Porto Rico"; reading by Mrs. Charles Hugo; and special music. Mrs. Sophia VanOsdol of Newcastle, Ind., was a guest at the meeting. During the social hour following the program the hostess served dainty refreshments.

The Loyal Workers Bible class of the Raleigh Christian church were entertained last evening at the home of Mr. and Mrs. Robert Sharp with a pitch-in supper. An important business meeting was held following the supper, during which articles for the constitution of the class were voted upon and many other business matters were discussed. The class is a new organization and at this meeting it was decided to meet twice a month and at each meeting a pitch-in supper will be served. The next meeting will be held January 25.

RECOVERS FROM OPERATION

Mrs. John B. Morris of this city is recovering from the effects of a serious operation which she underwent in an Indianapolis hospital earlier in the week for mastoid trouble.

Feels Like a Real Fellow

"After nine years of stomach suffering, colic attacks and bloating, I feel like a living person again. Four doses of Mayr's Wonderful Remedy have entirely restored me. I have met a great many people who, I am sure, need this medicine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At Druggists Everywhere.—Adv.

"IN THE PUBLIC EYE"

DO YOU EVER HAVE AN EYE-HEAD-ACHE? An eye-headache sometimes accompanied by an ache and burning sensations of the eyes is caused by an over effort of the brain to understand a blurred image that has been thrown on the retina of the eye. In the eye-camera the foci are changed by the eye muscles that swell and reduce the shape of the crystalline lens. When these muscles become weakened an optometrist must prescribe the outer-man-made lenses to bring about this focus accommodation.

The NEW EDISON

"The Phonograph with a Soul"

At last you can learn What Edison Did during the War

YOU wondered—everybody wondered, and practically nobody knew how Edison "did his bit." At last the official announcement is out! Come in and get your copy of the bulletin: "What Did Edison Do During the War?"—or write, if you can't call.

It tells what Edison did while Chairman of the Naval Consulting Board—how he spent months at sea, experimenting and in-

venting devices for foiling the German submarines.

The bulletin also tells how Edison stood the gaff and kept the price of the New Edison down to bed-rock during the era of high costs and soaring prices. The New Edison has increased in price less than 15% since 1914—part of this increase is war tax. The bulletin also tells Mr. Edison's views on our Budget Plan which makes the New Edison easy to buy.

JANUARY CLEARANCE

Because of our unusual November Sale and a brilliant sales year, we find our stock lower than usual, and much of it must be replenished for this sale. This can but prove a mutual advantage because of our purchases at the new low price not previously quoted. Only our usual First Quality goods will be listed or displayed and we ask to further convince you of the operation of our plan of the right merchandise at the right price no matter how severe the adjustment.

Business Is Good. Thank You.

The many people that visit our store every day will testify to this fact. We expect to keep it good by continuing to make our store an attractive place to buy food supplies.

We depend on the volume of our business to assist greatly in the making of low prices. It costs us no more to be busy all of the time than it would be to be busy half of the time.
